## FOURTH DISTRICT LOVE FEAST

### Meeting at Columbus Largely Attended and Full of Enthusiasm.

The gathering of republicans of the Fourth congressional district at Columbus yesterday evening and today was almost beyond expectations, about 1000 to 1200 being present at the love feast last night. The hotels were overcrowded and many of the visitors and delegates were obliged to find lodging with private families. Despite the weather's inclemency the crowd was full of enthusiasm.

Last night the love feast was held at the city hall. The large hall was crowded and many were standing. The speakers sat on the platform above which was draped a large American flag and under its folds hung the picture of President McKinley.

Frank E. Little, of North Vernon presided, and in a happy speech welcomed the visitors on behalf of the Fourth district. W. W. Lambert welcomed the guests to the city of Columbus in a few well chosen sentences.

Addresses were made by the candidates for state offices who were present, and by a number of other prominent republicans in the district. Among the speakers were: Col. James S. Dodge, Elkhart, Frank B. Posey, Evansville, and Enoch G. Hogate, Danville, candidates for governor; Frank B. Shuttles, and Senator Newby, candidates for lieutenant governor; Charles F. Remy, Leroy Nash and Jesse Weik, candidates for reporter of the supreme court; Union B. Hunt, secretary of state; Robert A. Brown, clerk of the supreme court, Attorney General Taylor, Judge Jordan of the supreme court, Frederick Landis of Logansport, O. H. Montgomery, of Seymour, Francis Roots, of Connersville, Gurley Brewer, of Indianapolis, James S. Bares, of Terre Haute.

The speakers were applauded enthusiastically and the enthusiastic interest held the audience until a late hour.

### CONVENTION TODAY.

The convention was called to order this morning at 10:30 and Frank B. Shuttles, of Aurora, selected as chairman and Lucien Harris, of Vevay, secretary.

A committee on resolutions was appointed composed of one from each county in the district. The report was read by Hon. O. H. Montgomery, who was the member from Jackson county. The resolutions endorsed the administration and instructed the delegates to be elected to vote for McKinley in the national convention.

The election of delegates to the National republican convention to be held in Philadelphia followed, and W. P. Masters, of Seymour, and Arthur Overstreet, of Columbus, were chosen. J. P. Thompson, of Greensburg, Wm. Wingate, of Batesville, were selected as alternates.

For presidential elector Frank E. Little, of North Vernon, was chosen. The best of feeling prevailed the selections being made by acclamation.

A time of speech making followed, and addresses were made by Hon. O. H. Montgomery, of Seymour, Charles F. Remy, of Columbus, James E. Caskey and Thos. E. Davidson, of Greensburg.

All counties in the district were represented. Jackson county had the largest delegation present, every township in the county except Vernon being represented, and about twenty-five not delegates going from here.

### His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with Typhoid Fever, that ran into Pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular size 50 cents and \$1.00. Trial bottles free at W. F. P.

### The Best in the World.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs. The Herald, Andersonville, Ind. For sale by C. W. Milhous, druggist.

## Eyesight of Pupils.

Frank L. Jones, state superintendent of public instruction, is considering the advisability of a plan to have school teachers examine the eyes of pupils, to see whether they are in need of treatment. Mr. Jones has been visiting the district schools of the state. He has found, he says, that the physical conditions, in many places are bad. White walls and glossy blackboards are frequently responsible for defects in children's eyes, he says. While the state superintendent may not make a rule to the effect that teachers shall attempt to learn whether their pupils have defective eyesight, or other physical infirmity that should be attended to, he favors such a method, and the matter may be laid before the state board of education. It has been brought to the notice of the department of public instruction that in Chicago, recently, a department for the examination of the eyes of children, in the public schools was added to the child study system and that hereafter children who are found to have defective vision will be warned to consult oculist.

One method of examination for defective eyesight is the card system, by which teachers are supplied with cards bearing different sized letters, which they say tests the ability to read at different distances.

## THE OLD SPORT TRICKED.

He Knew the Sharper's Game, but They Knew It Better.

In the days when things were wide open there was a "brace" faro game on the other side of Canal street, where some pretty fat pigeons were frequently plucked. While this was going on a broken down sport formed the habit of dropping in and securing a share of the plunder by simply betting the reverse of the victim. The latter, for instance, would bet \$50 one way on the ace, and the old sport, knowing positively that the dupe would lose, would bet \$5 the other way on the same card. In order to secure the \$50 the dealer had to let the unwelcome visitor win his little five, and that sort of thing happened almost every time a fresh fool was piloted into the establishment.

Of course the sharper who ran the game regarded this proceeding on the old sport's part as a most outrageous invasion of their private rights, equivalent to blackmail. "I call it just the same as stealing for him to come in that way when we're skinning a man and take off a slice," said the main sharp, "and he really ought to be arrested. We must do something to stop him."

Accordingly they laid their heads together and evolved a Machiavelian scheme. A few days later a stranger, who had all the appearances of a very verdant planter, was steered into the place, and right behind him, as usual, came the old sport, scenting rich pickings. After playing for awhile in a small way the stranger, who appeared to be more than half tipsy, pulled out a huge roll of bills and offered to bet \$1,500 on the turn of a card. The proposition was promptly accepted, and the other fellow, thinking he had the chance of his life, immediately put up \$85, which was every cent he had on earth. To his consternation, the planter won and he lost. That broke him of the habit and was the last time he ever tried to rob robbers. It turned out later that the planter was a Memphis gambler, "made up" expressly for the role.—New Orleans Times-Democrat.

## "MY OWN SELF AGAIN."

Mrs. Gates Writes to Mrs. Pinkham, Follows Her Advice and is Made Well.

"DEAR MRS. PINKHAM:—For nearly two and one-half years I have been in feeble health. After my little child came it seemed I could not get my strength again. I have chills and the severest pains in my limbs and top of head and am almost insensible at times. I also have a pain just to the right of breast bone. It is so severe at times that I cannot lie on my right side. Please write me what you think of my case."—MRS. CLARA GATES, Johns P. O., Miss., April 25, 1898.

"DEAR MRS. PINKHAM:—I have taken Lydia E. Pinkham's Vegetable Compound as advised and now send you a letter for publication. For several years I was in such wretched health that life was almost a burden. I could hardly walk across the floor, was so feeble. Several of our best physicians attended me, but failed to help. I concluded to write to you for advice. In a few days I received such a kind, motherly letter. I followed your instructions and am my 'old self' again. Was greatly benefited before I had used one bottle. May God bless you for what you are doing for suffering women."—MRS. CLARA GATES, Johns P. O., Miss., Oct. 6, 1899.

### NEW ALBANY PRESBYTERY.

#### Closing Sessions of the Spring Meeting.

The business sessions of the spring meeting of the Presbytery of New Albany were continued, Wednesday afternoon, and until 11 o'clock in the evening, when an adjournment was taken to meet again at Charlestown, May 9th, 1900, for the examination of candidates for admission.

Reports of officers and standing and special committees were received and considered, and the usual routine affairs were disposed of in order.

Incidental features were the dismissal, on his personal request, of Rev. W. R. Shelt to the Presbytery of Logansport; and the dismissal, also at his own solicitation, of Rev. Dr. J. L. McKee—resigned pastor of the Third Presbyterian church of New Albany—to the Presbytery of Kansas City. In this connection, Dr. McKee, who has been largely engaged in Evangelistic work, was given a strong letter of Presbyterial commendation.

The election of Commissioners to the General Assembly resulted in the choice of Rev. D. W. Fisher, D. D., LL. D., with Rev. Dr. W. C. Broady as alternate; and Elder M. S. Blish, of Seymour, with Elder T. A. McCoy, of Madison, as alternate.

Stated clerk, Rev. Dr. A. Y. Moore, of Hanover, was re-elected treasurer; Rev. Dr. S. C. Bates, of Brownstown, was selected as visitor to Lane Seminary, and Rev. E. S. Pollock was recommended to the Board of Publication and Sabbath School Work for work as Sabbath School Missionary. Rev. E. S. Darling, of Toronto, Canada, holding Elders' orders in the Methodist Episcopal church, made formal application for membership in the Presbytery, his examination was sustained, and he was admitted to probationary work until the next stated meeting.

During the sessions, the Rev. T. N. Todd, of Indianapolis, and the Rev. Dr. E. R. Vest, pastor of the Seymour M. E. church, were invited to seats as corresponding members.

Rev. Dr. J. W. Clokey, of New Albany, was prevented by sickness from being present to deliver his public address on "The Mission of the Anglo-Saxon."

Many of the members left for their homes, last night, and the others all departed on all the morning trains.
